## **DETAILED ACTION**

### ***Amendment***

1. Receipt is acknowledged of the amendment filed on June 6, 2008. Currently  
5 claims 2 and 4-8 remain in the examination.

### ***Allowable Subject Matter***

2. Claims 2 and 4-8 are allowed.
3. The following is the Examiner's statement of reasons for allowance: Previously  
10 objected claims were amended to be independent claims. As indicated in the previous  
Office Action, the claims are directed at a chip card containing authorization code, a  
method of entering authorization code into a chip card and a computer program stored in  
a medium for entering the authorization code into a chip card. An authorization code is  
entered into a card, and when the authorization code is entered via a card terminal, it is  
15 verified. After successful verification, the card changes a state for a period of time and  
retrieves the authorization code from the card. Such card, method and a computer  
program is neither disclosed nor suggested by the cited references.

Any comments considered necessary by applicant must be submitted no later than  
the payment of the issue fee and, to avoid processing delays, should preferably  
20 accompany the issue fee. Such submissions should be clearly labeled "Comments on  
Statement of Reasons for Allowance."
